Seasonal Psychosis Struck Shorewood

AUTUMN brought a new crop of seventh graders to Shorewood. In on a fall wind came a Suburban conference title in football. This year's was the best homecoming yet. As shadows lengthened and days shortened, teachers began to call students by name. 1967 was drawing to a close.

The *WINTER* winds were cold outside, but with the new year came new warmth and spirit. Sophomores began to walk in the Youth Center with pride and familiarity. The basketball team defeated Bay and continued on its undefeated ways. And a lot of the year was yet to come.

SPRING ushered in that dread disease, senioritis. The juniors had their prom, and freshmen began to feel wistful about giving up their superiority in the Cafeteria. At last, it was June. This book will help you remember the 1967-68 school year, the year of *SEASONAL PSYCHOSIS*.

Goodbye — And Thanks

Shorewood lost two of its finest instructors to the ranks of the retired in 1968. Mr. Sandy S. Smith and Mrs. Aileen T. Genskow, both with long service to Shorewood High, will be long remembered by the many students they taught through the years.

Mrs. Genskow arrived at Shorewood in the fall of 1943. Then, as now, she was connected with the Home Economics section.

She served as advisor to the Home Economics Club for all of her twenty-four years at Shorewood. Girls from many senior classes remember Mrs. Genskow's tips on making that special dress a little prettier.

Changing her name from James to Genskow in 1963, she married the director of the Shorewood Opportunity School, Mr. Harvey Genskow.

Goodbye, Mrs. Genskow — and thanks.

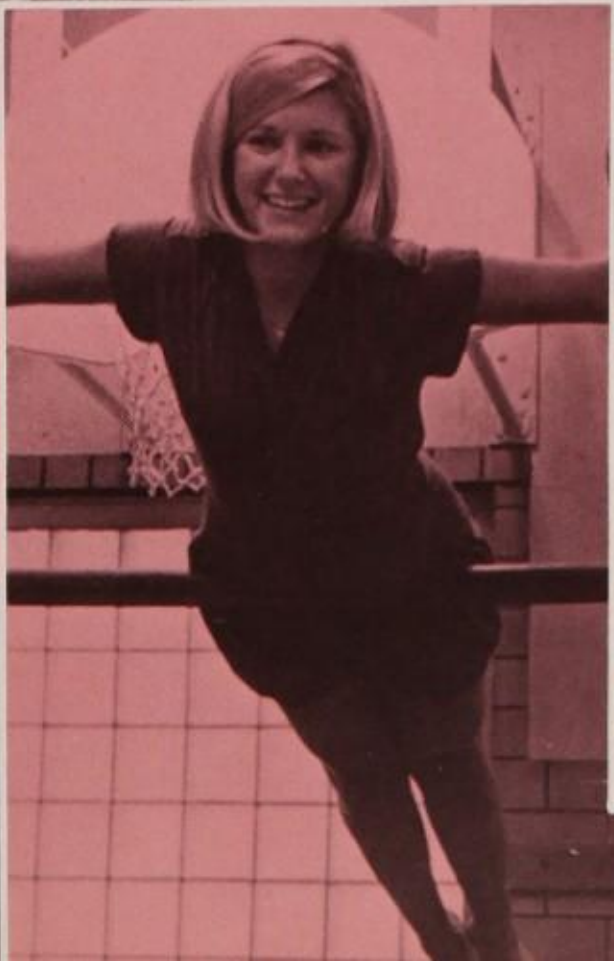

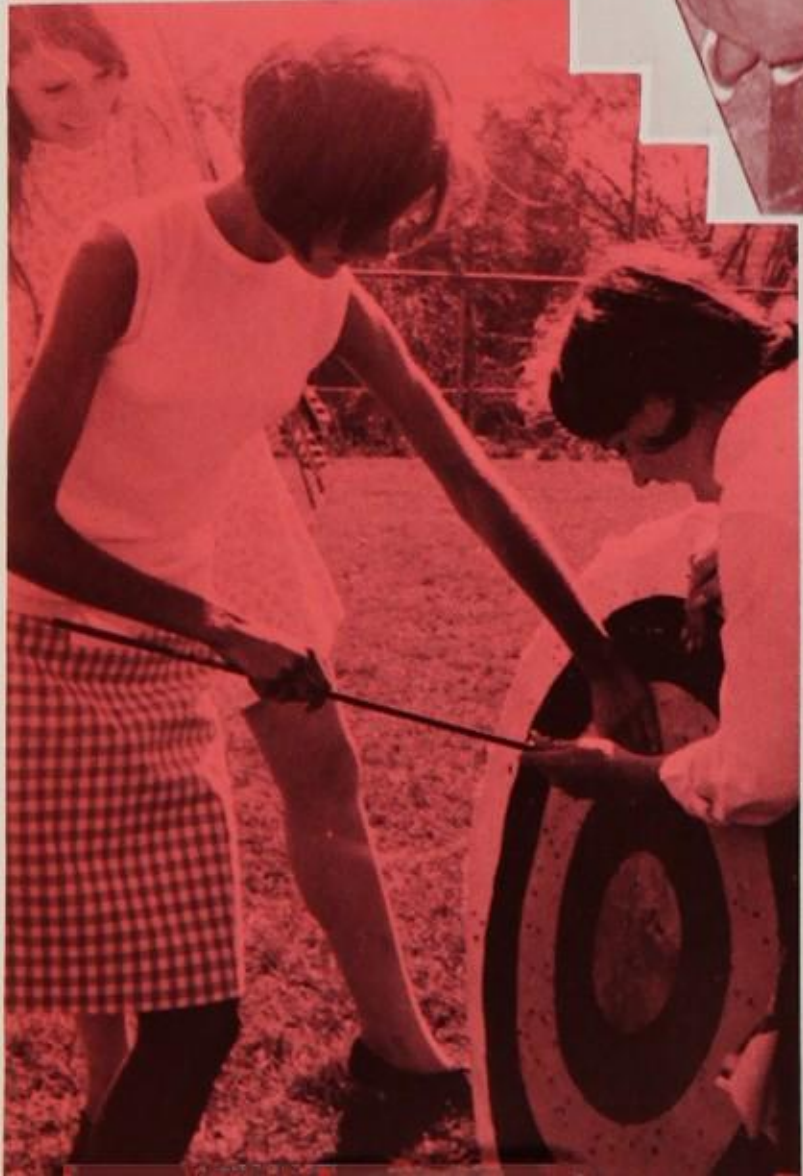

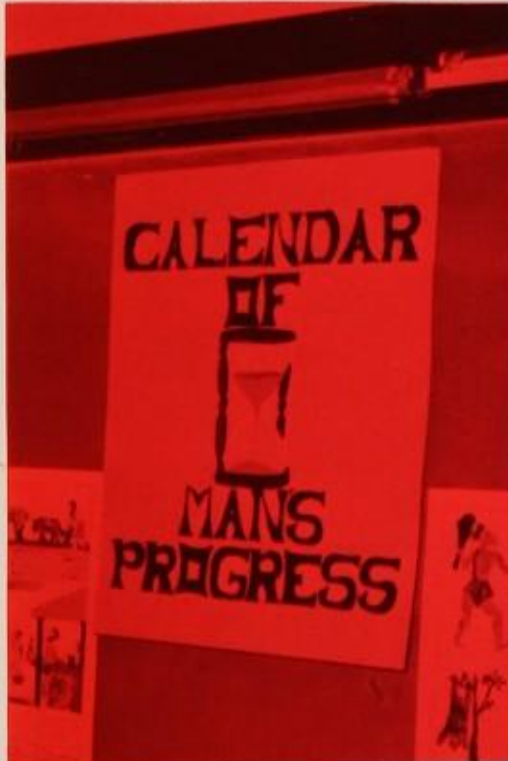

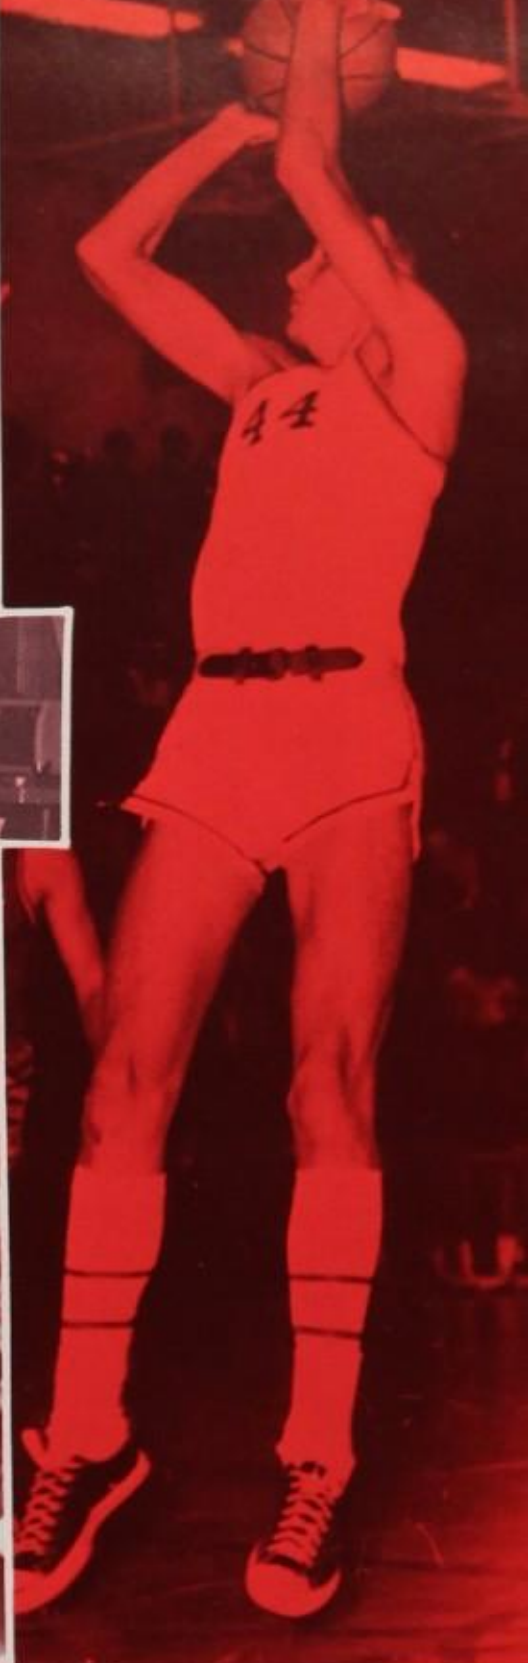

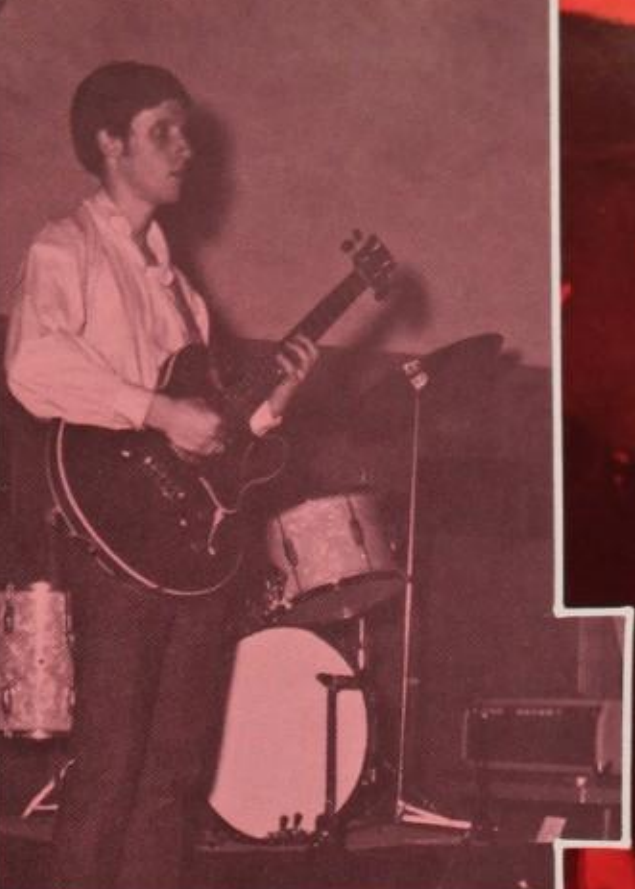

Mr. Smith's career spanned the remarkable total of forty-two years at Shorewood. When he came here from North Carolina, "Shorewood High School" was a part of the present Atwater building.

His band room also moved around. At first, in 1926, it was in the present Administration building. It was not until 1936 that the present band room was built as part of the Auditorium.

At one time, there was a state competition for high school bands. Mr. Smith's bands consistently placed high, and the 1930 band was state champion and earned a trip to Flint, Michigan for the nationals.

As the only director of the band in its history, and the teacher who spent more time at Shorewood than any other, Mr. Smith also deserves:

Goodbye — and thanks.

Cheerleaders **That's Spirit!**

Myra Levin, head cheerleader, directed one of the best squads Shorewood has seen recently. In addition to cheering at varsity football and basketball games, for the first time the group also appeared to root for the wrestling team. It was a squad Shorewood can be proud of!

Long hours of practice produced a great cheerleading group.

Leslie Dill seemed happy with the team's results.

B-team cheerleaders always get stuck with the "dirty work."

Head cheerleader Myra Levin yelled, "Fight team, fight!"

Youth Council

Students Planned Dances

Youth Council members ran the dances held after athletic events. But few realize that this is not the end of their activities.

In December, Youth Council sponsored a fund-raising dance for the Shorewood Civic Improvement Fund. It netted a great deal of money.

The Spring Carnival was the biggest Youth Council activity. Aided by Mr. James Perry, the council urged many clubs to join the fun.

Youth Council members helped with decorations for the junior high Halloween dance.

President Vicki Vonier, aided by Dean Murphy, Jane Rinka and Carolyn Finn, planned many successful events.

Lettermen's Club

Emblem-Winners Held Tourney

Lack of interest hurt the Lettermen this year. Despite apathy, the club still ably conducted several events.

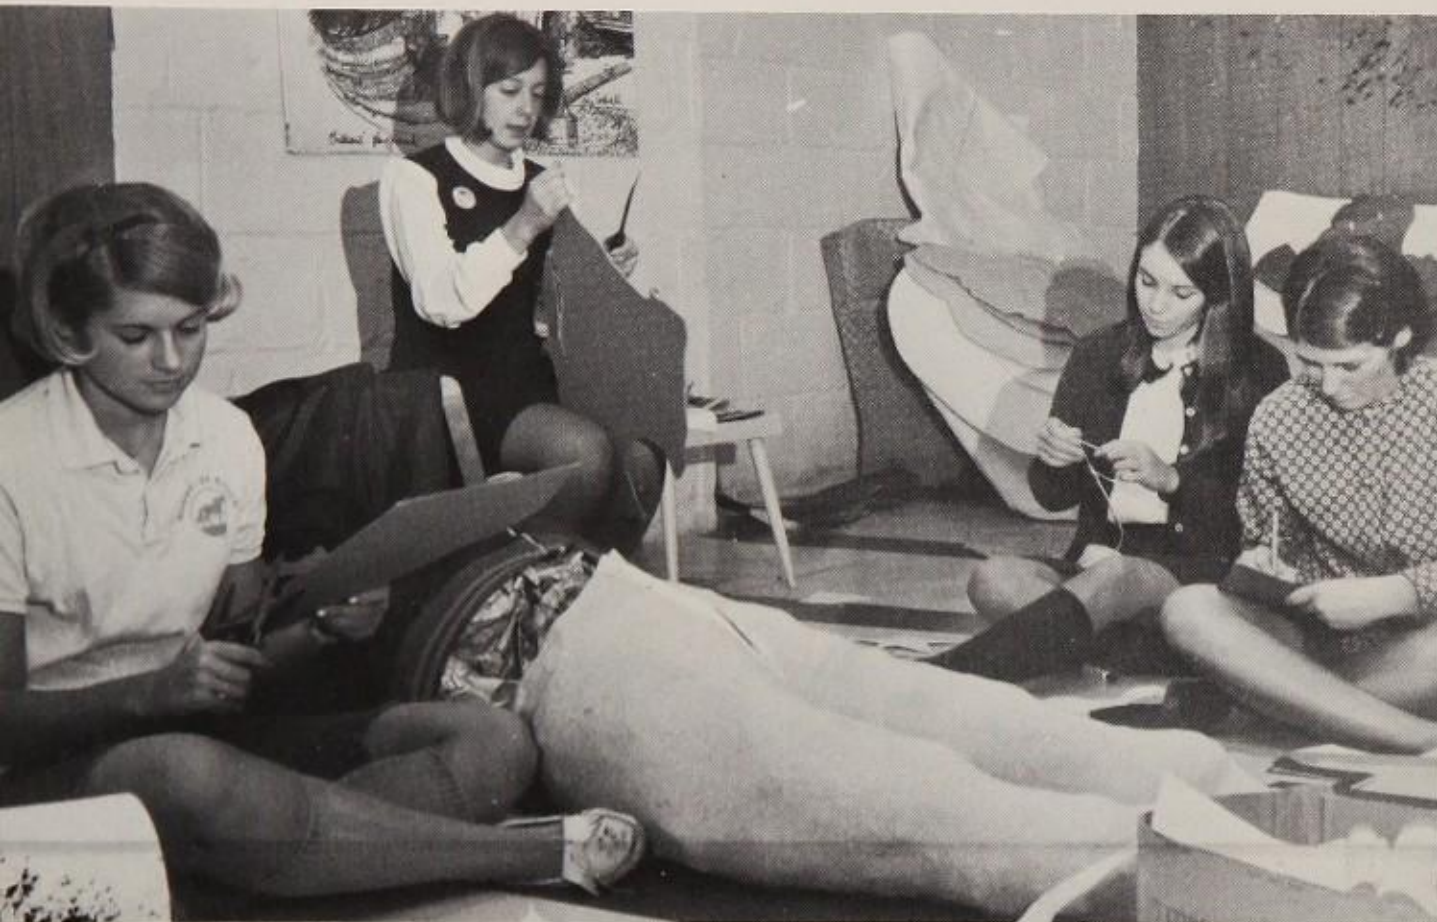

The annual basketball tournament, held each winter, was the biggest job. After canvassing the homerooms for players, the Lettermen served as referees for the games.

Other projects included were co-sponsorship of the Homecoming dance, Parent's Night awards for football and basketball, and ushers for athletic events.

LETTERMEN'S CLUB OFFICERS: John Wallner, vice-president; Jim Pierce, secretary-treasurer; and Jeff Machette, president.

Homecoming Go Shorewood —

Cheerleaders did the behind the scenes work for Saturday night's dance.

Homecoming 1967 got the entire school to work. Pete McCarthy, this year's over-all chairman, sent plans underway for the pep rally and parade. Different groups devoted time to floats, some resulting in trophies, others only in fun. T.S.C. covered the goal-posts, Pep Council decorated the school, and Art Club painted windows. October 20 arrived at last.

Coach Geske's Hounds brought a 5-0 record into this year's game against Tosa West. Having beaten Bay and smelling the championship, the gridders blasted Tosa 30-0. After the game Youth Council sponsored a youth center, and Saturday night the Cheerleaders and Lettermen's Club held the Homecoming Dance which capped the finest homecoming in many years.

Frosh go all out to win float contests.

Beat Trojans

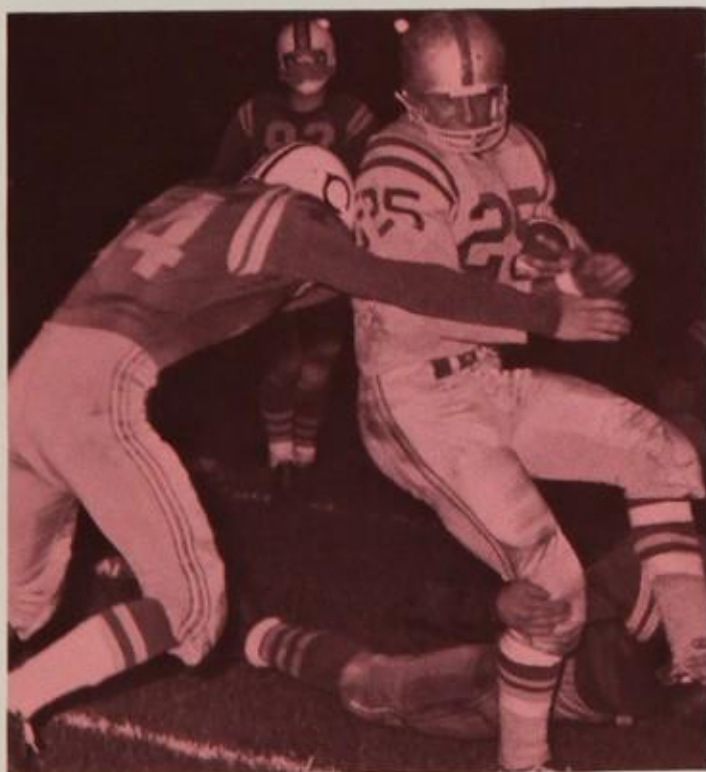

The perennial losers in the tug-of-war try — and lose — again.

Not only can Debbie Donovan twirl a baton, but . . .

Tom Albright ground out a lot of tough yards in the game.

Maureen McCreadie and Tom Albright show the homecoming spirit.

Looking very strong for a seventh grade group, the basketball team started off the season with two large victories, over St. Mary's, 41-28, and Menominee Falls Jefferson, 48-17.

"I feel that the boys worked well as a unit," commented Coach Birkholz. They were not big, but had lots of fight and drive. They passed very well."

A new system was started this year by Coaches Bushner and Jones, as the team only played one game, with St. Robert's. It was lost, 27-0. The gridgers were divided into six squads, of which the captains of the two best squads captained the game.

Gridders Copped Championship,

A switch in offense catches a Hale defender sleeping, as quarterback Jeff Matchette is on the receiving end of a Tom Albright touchdown pass.

"First division hopefuls," "possible darkhorse" are just two of the so-so ratings that the local newspapers bestowed upon Coach Richard Geske's gridgers at the outset of the 1967 season. However, as the season progressed, not only did the news media change their opinions, but the rest of the Suburban conference began to respect the Greyhounds.

After shutting out their first three opponents, the climax of the whole season was reached. Traveling to Whitefish Bay for the annual Glory cup contest, the Hounds emerged victorious in an exceptionally well played high school battle. When senior quarterback Jeff Matchette was injured, it appeared that the Blue Dukes were on their way to a homecoming victory, but such was not the case. The Bays may have won the battle, but they lost the war, 12-7. As a consequence, though, Matchette was lost for the rest of the season.

The following Friday, the conference title was decided on the South Milwaukee gridiron. The Rockets, also celebrating homecoming, were far from hospitable. But the Greyhounds stingy defense held the south siders far below their offensive average, and the Red-and-Grey offensive unit rose to the occasion, piling up over 300 yards from scrimmage. The Hounds won, by a single point, giving them a 1 1/2 game lead with three games to play.

Senior John Wallner booms a punt despite a furious rush put on by Cudahy's Packers.

Earned Ranking of Fourth in State

The last three games were anti-climactic. Winning their first homecoming before local fans, the Hounds disposed of Wauwatosa West, 30-0. This was the fourth game of six in which the Red-and Grey defense held the opposition to no points and less than 100 yards from scrimmage. In compiling a 6-0, the Hounds finally found themselves in the state rankings. In the championship-clinching skirmish, the Hounds completely demolished the Mustangs of West Milwaukee, 41-6. The season ended on a rather dull note, as all the Hounds could muster against West Allis Central was a tie.

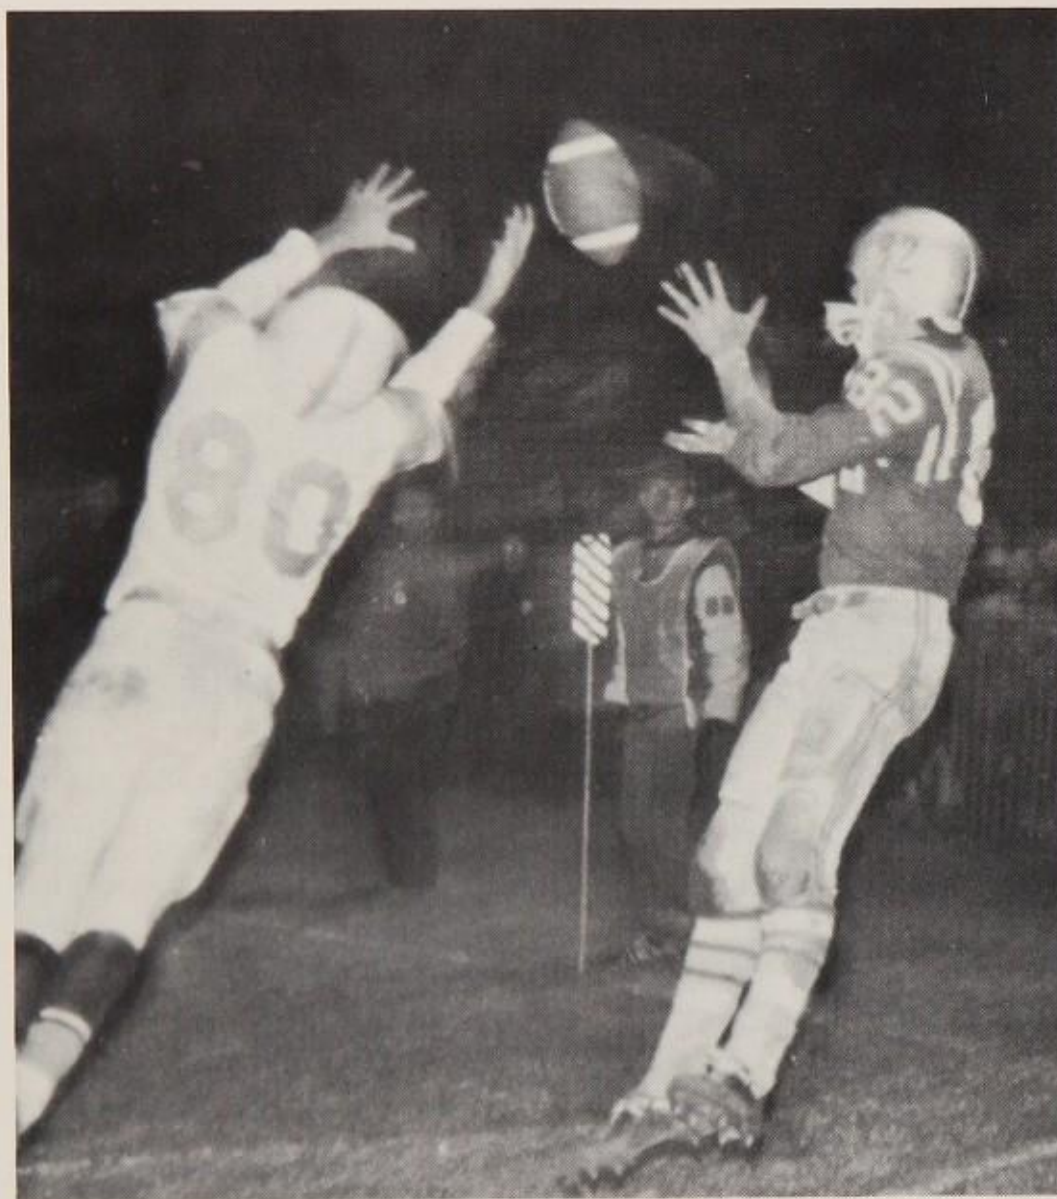

Individual heroes were many on the championship squad — Shorewood's first since 1960, when athletic director Carl Siefert was coach. Six were honored on all-conference squads. Opposing players chose center Joe Berger and tackle Joe Pellegrino on the second team. Guard Rick Frank, tackle Dean Murphy, end John Wallner, and back Tom Albright were named by conference coaches to the first team; Murphy, Wallner, and Albright were also cited by the players. All are seniors except Pellegrino, who is a junior.

Football

A defender's attempt to break up this pass is all in vain, as John Wallner hauls in a Tom Albright aerial in the homecoming game against Wauwatosa West.

Pellegrino and Murphy were the team's two leading tacklers, and spent much of their time on defense in the enemy's backfield. Frank, like all those mentioned, played both offense and defense, and was a key blocker in the Hounds' power plays up the middle. Wallner scored five touchdowns, while receiving twelve aerals. Berger was a fine blocker on offense, and proved that lack of size is no handicap in the game, as Joe weighs just 132 pounds.

It is impossible to list all of Tom Albright's achievements. Completing his third starting season on the varsity, Tom registered 13 touchdowns, leading the league in scoring. He also rushed for 1101 yards, averaging 6.7 yards per carry. Tom also filled in at quarterback for Matchette, and completed over fifty per cent of his passes for 450 yards. These accomplishments helped Albright gain a second-team-all-state berth, and led the Hounds to a ranking of fourth best team in the state.

Though the graduation losses are heavy and costly, the coaching crew of Geske, Radecke, and Schneider can again look forward to a strong squad again in 1968. Juniors Glenn Bacher, Ted Proite, Daryl Santilli, Jeff Mayville, Joe Pellegrino, Tom Cowhey, Hank Ambrookian, Ashley Anderson, Bill Stephens, and Steve Schmidt and sophomore Tony Zulli are some of the established players who will be back next season.

Tom Albright is off and running at Cudahy, leaving three Packers in his wake.

B-Team and Frosh Football

Future Varsity Earned Victories

Under two new coaches, Mr. Joseph Ferrara and Mr. Richard Taylor, the B-team compiled a 4 and 2 record. The opener, against Tosa East, saw the Hounds run all over the opponents, 27-0. The B-team next defeated Cudahy 29-6, but was stopped at Bay, 6-7. The Hounds then bounced back by crushing West Milwaukee 30-0, but lost to Tosa West, 0-6. The Hounds closed out the season by beating their arch-rivals, Bay. There is much varsity potential in this year's team, including Dallas Lillich, Larry Cotter, and Keven McDermott.

The Frosh team experienced a disappointing season of 0-5-1 under the direction of Mr. Kenneth Moe and Mr. Thomas Rebholz. The frosh lost the first game to South Milwaukee, then held Rufus King to a scoreless tie, but lost the remaining games to Cudahy, to Waukesha and to the Bay twice. The most promising players were George Brust and Tom Wachniak.

The sounds of the Shorewood band have been refined by Mr. Sandy Smith for all of its history. This year's sound was one of the most balanced in many years, due to the presence of some of the more rare concert instruments not often seen in a high school band.

During the marching season, the band was "shut out" by the weather frequently, but the shows put on were up to usual standards.

To top Mr. Smith's career an exchange concert was planned with Green Bay East high school, in the spring.

Majorettes

After practicing long and hard hours during the summer, the majorettes began the year with some great new routines and ideas. Phyllis Marks, head majorette, led the majorettes in half-time activities at football and basketball games. The girls marched twice with the Bay majorettes at basketball games. New uniforms for the basketball games were purchased with the money earned from bake sales and programs sold at basketball games.

On Saturday mornings in the high school arena, the majorettes could be found teaching some of their skills to the younger girls.

Teen Service Club

Service with a Smile

"Happiness is helping" was the topic at the first meeting of Teen Service Club. Terry Green, president, introduced the officers and Mrs. Edith Mae Smith spoke to the girls.

Teen Service Club helped others this year by making Thanksgiving and Christmas favors for the hospitals in the Milwaukee area. T.S.C. pays for the education of Kyoo Sook Lee, a Korean girl. The club raised money by selling candy, pom-poms, shake-roos, and rah-phones. Besides these various projects, T.S.C. continued their other activities such as running the concession stand during the football season, operating the lost-and-found, and decorating the goal posts at Homecoming.

Mrs. Edith Mae Smith, guidance counselor, spoke to the girls at the first meeting.

President Terry Green introduced cabinet member Margaret Casey to the club.

Joan Kenyon explained how to make turkeys.

Art Club

Projects Inspired Artists

Installation of officers was the high point of Art Club's second annual Autumn banquet held this September.

Homecoming was a busy time for the Art Club members. Activities included building a float, painting store windows and sponsoring several bake sales.

In December the club, led by Jeanne Higbee, made original coloring books for needy children and helped Student Council with publicity for Showcase '68, as well as having its traditional Christmas party.

During the winter and early spring months, members of Art Club went on field trips to Cardinal Stritch College and the Chicago Art Institute. The year ended with election of officers and a spring picnic.

Officers: Judy Hayek, Barb Higbee, Debbie Finley, Jeanne Higbee.

Painting windows at Homecoming was one of Art Club's many projects.

For Valentine's Day, the club made red parasols.

"Emphasis on the Controversial"

Controversial issues of the day were important to this year's *Ripples* staff. They made stands on the Vietnam war, civil rights, and student-faculty relations. All in all, this year's *Ripples* was an informative, stimulating newspaper that pulled no punches.

The paper earned many honors. The two national ratings services each gave it their highest honors, "All-American" and "Medalist" ratings.

Rick Saltzstein headed the staff of twenty which was trained all through its junior year. They published two issues last May. This learning experience helped the staff in its quest for better journalism.

Language Teachers

Breakage of Language Barriers

Peoples of the world are finding it more and more necessary to communicate. Helping to overcome the obstacle of language barriers, Shorewood offers four years of four prominent languages, French, Spanish, German and Latin. After mastering vocabulary and rules of grammar, language students are exposed to the language laboratory. In the last two years of languages, students are acquainted with the languages, culture and literature.

"Listen carefully," says Mr. Kramoris in the language laboratory.

Math Club

Math Club began its year with a field trip to Madison. The members learned about computers and interesting aspects of a math career.

The year consisted of various events, including a Bake Sale that proved that the Math Club goodies are as tasty as Home Ec Club's. In Spring, preparing for a booth at the Carnival took up a lot of their time.

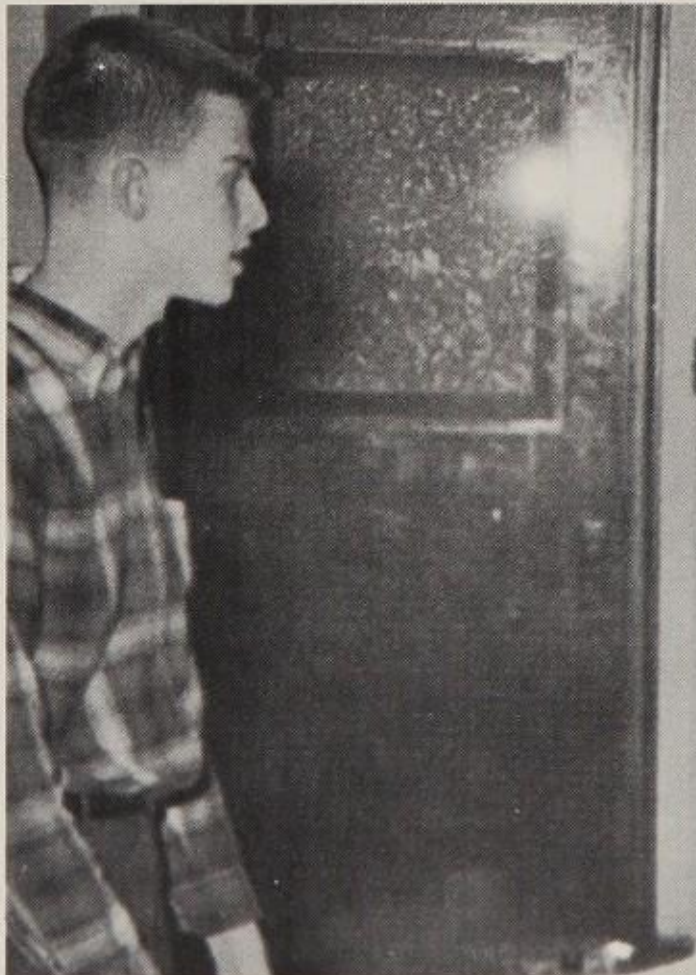

The club also had interesting speakers including Dr. Lenore Harmon who spoke on Math careers and logic.

Ross Kindermann, president, provided the weekly meetings with challenging problems and analyses which the eager members attacked willingly.

Best Season In Ten Years

Paced by second team all-Suburban choices Tom Colosimo and Steve Berg, the volleyball team garnered its best season since 1957. Among its most impressive victories was a 2-1 decision over defending state champion West Allis Hale.

The nine victories registered by the netmen showed their erraticness. Five teams, including rival Whitefish Bay, fell to the Hounds, but the team lacked the "killer instinct" to put together three straight wins.

Starters included Colosimo, Berg, Dick Derwin, Larry Bechler, Steve Reyer, and Gary Meyers, all seniors, and Jim Kahn was a top substitute.

Social Studies Teachers

Past World Discovered; Present World Explored

Mr. Jones okays Barbara Higbee's history project.

In order to teach students the problems of yesterday and prepare them for the world of today and tomorrow, three years of social studies are required. World History gave the sophomores a survey of life from the stone age to the present. American history gave the juniors the factors that influenced the development of our nation. A semester of political science, the study of the functions of the various levels of government, and economics, the study of human wants and needs, were taken by seniors.

Physical Education Teachers

Gym's Main Goal-Physical Fitness

Physical Education gained new depth this year with the addition of three new girls' gym teachers and some new equipment. For the first time, students had the opportunity to use the uneven bars and the elevated balance beam. Each was used to stimulate certain lazy muscles in students' bodies.

The boys' department continued its "breaking in" of student teachers from University of Wisconsin-Milwaukee.

But of course the most important function of Physical Education was to keep the students engaged in stimulating physical fun.

"Oliver!"

"Oliver!", a British musical, was the first play put on by Drama Club. It was an adaptation of Dickens' famous *Oliver Twist*. Jeff Frye, an eighth grader, had the title role.

A new type of set was used for the play. The set was designed so that it rotated on a pole. "Oliver!" was directed by Mrs. Barbara Gensler and senior Sallie Alefsen.

"Consider yourself part of the family," says the Artful Dodger (Gisli Bjorgvinsson).

Greg Schneider and Marcia Emold played undertakers Mr. and Mrs. Sowerberry.

Drama Club

This year Drama Club sponsored their annual Open House in October. The club raised money to send their Thespians to the National Convention in Indiana by selling fruit cakes and sponsoring a bake sale.

The members of Drama Club have a wide variety of crews to work on. Students could try out for the plays in acting roles, or work on stage crew, costumes, makeup, or publicity.

In June the club sponsored a trip to Chicago for all members who had done an exceptionally good job in selling tickets to the plays.

Junior High Teachers

Beginners Became Superior Scholars

Shorewood's junior high students had one of the most diversified programs to be found anywhere. Few junior highs with a senior high in the same building had their own newspaper, but SJHS this year started the *Second Floor*, devoted solely to junior high activities.

Shorewood emphasized grammar in the block time periods, but students also took a strong current events course.

"What's that?" asks an astonished Mr. Moe of two of his students.

FRONT ROW: Steve Johnson, Gordy Edelstein, John Higbee, Mike Horner, David Koberstein, John Hutchinson, Guy Hoffman, Randy Erhardt, Phil Wachniak. **SECOND ROW:** Tom Doherty, manager, Rick Petersen, Pete Stein, Doug McKey, John Meisner, Jim Kagel, Efraim Arrastia, Bill Spinti, Steve Pugh, Bill Hindin, Greg Pollesch. **TOP ROW:** Al Blanke, Jim Wiesner, Joe Avello, Lee Riordan, John Reeves, Bob Landry, Jeff Kramer, Jim Michel, Marc Brenard, Jim Wallner, Bill Pierce.

Starting things off on the right foot, the eighth grade basketball team defeated St. Mary's in a very close game, 51-50. The next game, however, the Weasels were outrebounded and outscored by Menominee Falls Jefferson, 38-30. Coach Rinka's team did show some excellent ballhandling, however. The season will hinge on the crucial St. Robert's game, so this is where the team will aim.

Compiling an excellent 3-1 record, the eighth grade football team promised to have many future varsity greats in the wings. Only a first game "jitters" loss prevented a perfect record.

After clobbering Cedarburg and University School, the Weasels defeated top rival St. Robert's 13-0 to cap the successful season. Coaches Decker and Jones felt that it would be wrong to cite any one player as outstanding, as everyone worked hard to produce the victories.

Junior High Joined; Added Their Talents

A new look was added to the orchestra this year, as qualified junior high musicians were allowed to participate in the senior high organization.

Several of the string players received honors for their talents. Tony Adessa, president of the group, competed and won in contests, including the city-wide competition held by the Milwaukee Symphony.

For the Spring Festival, Mr. Bushner selected several contemporary numbers, including the popular "Victory at Sea," and "Slaughter on Tenth Avenue."

G.A.A. & Leaders Club

Coordination Through Participation

Any girl interested in athletics can join the Girls Athletic Association and participate in the many activities planned by Leader's Club. President Jane Rinka coordinated the year's activities with the help of Mrs. Roslyn Higgins, advisor. They included bowling, tennis, apparatus, and volleyball.

Members of Leader's Club organized and refereed the Senior Girl's Basketball Tournament. In December, the girls went to see the Harlem Globe Trotters. In spring, there was the annual basketball tournament, involving all the members of G.A.A. with girls from every grade represented on the team.

Money received from bake sales provided trophies for the tournament winners.

Ashley Anderson prepared to swim his leg of a relay race.

This year's swimming team, coached by Mr. Ferrara and Mr. Huth, had just an average season. They finished with a record of four wins and five losses in Suburban Conference dual meets. One bright point of the season was junior Steve Gilbert breaking three school records — in the 200 yard individual medley and the 200 and 400 yard free style events.

The best effort of the season was that of capturing a second place in the second annual Small School State meet. First places were earned by Steve Gilbert in both the 200 yard individual medley and the 100 yard butterfly and by junior Dan Lowry in the 50 free style.

With only three experienced varsity swimmers leaving this year, prospects for next year's team look very good. Heading the list of returning lettermen are Steve Gilbert, Dan Lowry, Scott Kramer, William Heller, Ashley Anderson, John Klett, Steve Beckwith, and Tom James.

Steve Gilbert and Ashley Anderson anticipated a fast start for Dave Pugh and Doug Elenbaas.

Arguers Gained Wide Knowledge

Although the 1967-68 Debate team lacked experience, they did exceptionally well. After a rather slow start, they came on strong at the end of the season to capture the Horicon Invitational and the Suburban Tournament.

"Resolved: that Congress should establish uniform regulations to control criminal investigational procedure" was the topic argued all year.

The highlight of the season was the Suburban Tournament. The affirmative team of president Mark Neubauer and Mike Ashburn went 3-0 in competition, while negatives Ned Wiley and Neal Gleason went 2-1. Their composite record was the best in the Suburban Conference.

Next year bodes well for the team, as only two seniors have departed.

Mark Neubauer explained to Larry Bechler why the Supreme Court is confused.

Starring in "Witness for the Prosecution," were John Nowak as Leonard Vole, Dana Rosenthal as Romaine Heilger, Greg Schneider portraying Sir Wilfred, and Tom Gustin in the role of Mr. Myers. Directing the play was the task of Mr. Richard Goetzman and seniors Karen Clutter and Lilly Belusa.

Dene Smuts, in the role of Laura Craig, is examined by Greg Schneider.

Cagers Snared Suburban Title

KNEELING: Manager Bob Heller, manager Terry Barrington. **STANDING:** Ken Van Es, Jeff Matchette, Steve Schmidt, Pete McCarthy, Rex Kramer, Steve Berg, Kevin Gage, Vic Brust, Bill Stephens, John Wallner, Louie Netz, Dick Derwin.

For the third time in the last five seasons Coach Dave Jones' varsity basketball team was named the Suburban Conference title favorite. The previous predictions proved untrue; however, this year the rival coaches' crystal ball was clearer, and the Greyhounds used a 56-36 opening triumph as a springboard to an 18-0 record during the regular season and became the first undefeated basketball team in Shorewood history.

The cagers convincingly defeated their first four opponents of the season, mainly on their defensive tactics, limiting these foes to a modest 47 points per game. Following tough games with Whitefish Bay and Wauwatosa West, the Jonesmen turned back Tosa East's Raiders and then erupted for 93 points at Cudahy to close out the first part of the season.

In the first game of 1968 the Hounds beat West Allis Hale. The next two games were not so easy, but the Hounds bested Waukesha and West Allis Central to all but clinch the title just ten games into the season. West Milwaukee was the unfortunate victim of a 44 point record performance by Steve Berg and a 96 point team outburst when the Hounds trounced the Mustangs by 31 points.

South Milwaukee, always tough on their home court, provided the toughest competition for the cagers, as only a clutch performance by junior Vic Brust, an all-Suburban selection, saved the game. The Hounds went on to win the game in overtime. Next, the Red-and-Grey clinched the championship with a sound shellacking of Wauwatosa West. The Hounds closed out the season with victories over Whitefish Bay, Tosa East and Cudahy. The Cudahy contest saw several Greyhound records fall, as the team shot a blistering 61% from the floor.

Joining Berg and Brust in the starting line-up were seniors John Wallner and Jeff Matchette and junior Kevin Gage. The starting quint was very ably backed up by seniors Rex Kramer, Dick Derwin and Louie Netz.

B-Team Blasted Opponents; Frosh Crushed Foes

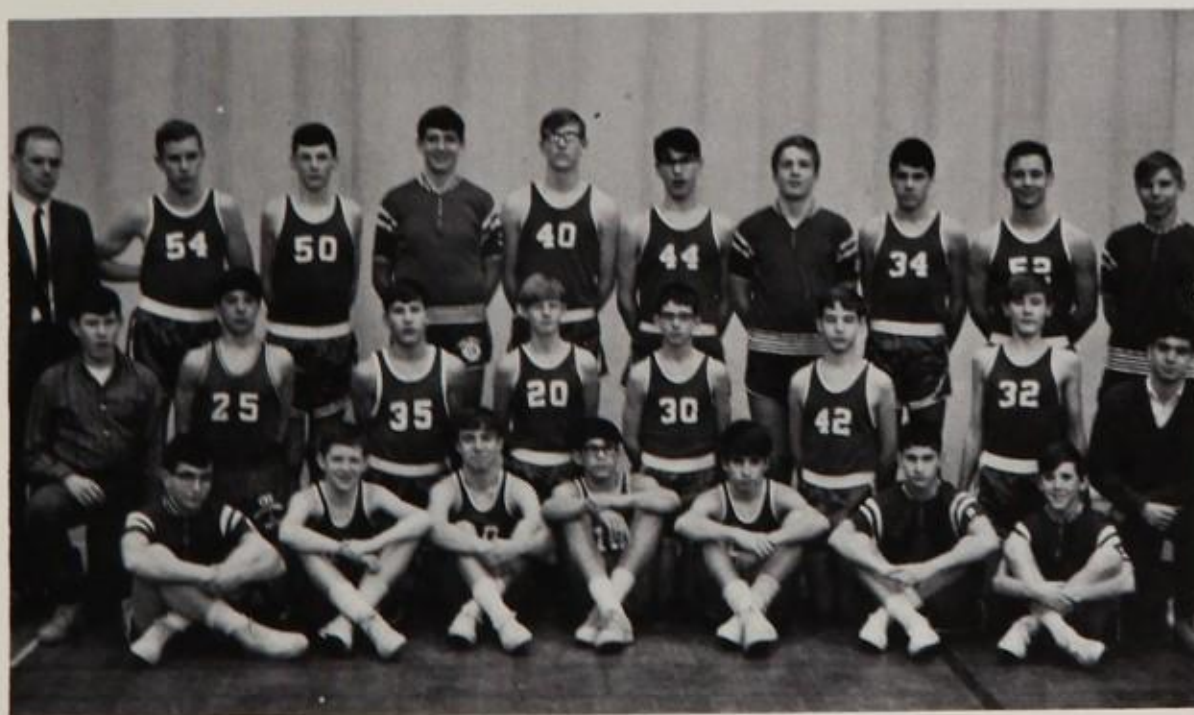

FRONT ROW: Mgr. Steve Curro, Bob Cohen, Bob Michels, John Aliota, Mgr. Phil Esche. *BACK ROW:* Daryl Santilli, Mark Fecht, Dallas Lillich, Greg Moran, Scott Johnson, Ben Alvarez, Bill Crawford, John Love, Tom Wargowsky, Ted Proite, Coach Robert Kupfer.

The B-team compiled a 10-3 conference mark and an overall record of 10-5 with three games left to play. The B-team used a strong fast break and good teamwork to score two wins each over West Allis Central, West Milwaukee, Wauwatosa West; and one win each over Bay, Wauwatosa East, Cudahy, and West Allis Hale. The B-team lost twice to South Milwaukee, and once to Waukesha. In two non-conference tilts, the B-team lost to Menomonee Falls and Milwaukee Lutheran.

Potential varsity material were Bob Cohen, Scott Johnson, Dallas Lillich, Tom Wargowsky, and Ted Proite.

The Frosh basketball team, under the guidance of Mr. Thomas Rebholz, compiled a 7-6 record, with four games left to play. The frosh defeated Homestead, Marshall, Milwaukee Messmer, Brown Deer, Cudahy, South Milwaukee, and last but not least, Whitefish Bay. In turn, the frosh lost to Cudahy, Waukesha, South Milwaukee, Nicolet, Homestead, and Waukesha again. The frosh exhibited a sign of exciting years to come, for they displayed strong teamwork and fine shooting. The most promising players seem to be George Brust, Tom Harrington, Jim Wittig, Mike Peeples, and Chip Krohn.

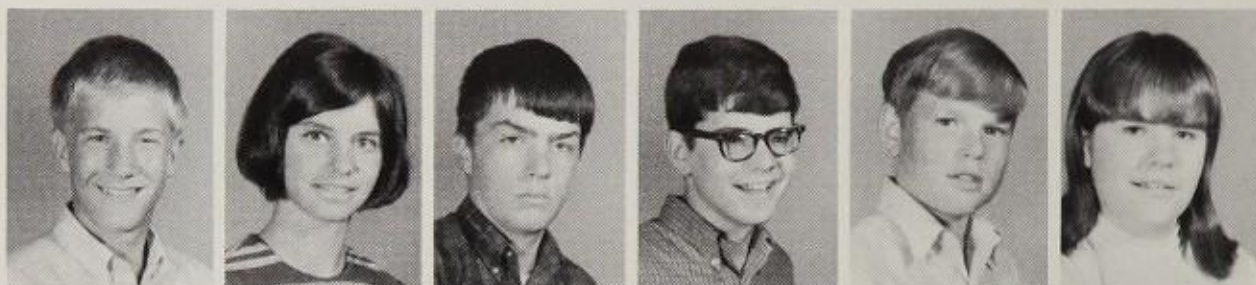

FRONT ROW: Robert Markey, Mike Casey, Thomas Woolf, Mike Cohn, Richard Russel, Daniel Weber, Mike Peeples. *MIDDLE ROW:* Mgr. Barry Washburn, Mark Hardwick, Leo Pacala, John Snell, Gordy Byrnes, John Zola, Jim Wittig, Steve Heller. *BACK ROW:* Coach Thomas Rebholz, Chip Krohn, Chris Whittett, Karl Eippert, Tom Harrington, George Brust, Dan McDermott, John Beckwith, Tom Wachniak, Tim Raye.

"Sew this seam up here."

Whether or not a student is planning for a future with prospects of college, the departments of Home Economics, Business and Industrial Arts are valuable to him. More and more vocations in these fields are involving more students, both boys and girls.

Girls found themselves caught up in the world of basic clothing, foods, interior decorating and family living through Home Ec Survey.

A variety of courses was offered this year by the Industrial Arts department. Boys studied woodworking, plastics and welding. The mechanical drawing classes which were offered included perspective, technical and architectural drawing.

Shorewood's business courses prepared students for everything from letter writing to secretarial work. A general business education course is offered to freshmen. Upperclassmen can take advantage of typing, shorthand, notehand, and office practice. The major function of this part of the curriculum is to give students an opportunity for a career in the business world.

At Shorewood, four levels of art are offered to the student. Each of the levels are covered in one year and include such things as the use of water colors, oils, sculptures, and metal work.

Wrestling

Grapplers Climax Undeclared Season

BOTTOM ROW: Bob Lagerman, Bob Megna, Norman Cummings, Dave Hankin, Joe Berger, Bob Cony. **TOP ROW:** Tom Albright, Glenn Bacher, Dean Murphy, Ed Michel, Richard Megna, Dan Zola. **NOT PICTURED:** Joe Pellegrino, Manager George Murphy, Coach Wallace Schneider.

Senior co-captain Norm Cummings, a four year veteran on the wrestling team, has the advantage over his 112 pound foe.

With Another Suburban Title

For the third time in the last five years, Coach Wallace Schneider's varsity wrestling team fought their way to the Suburban conference title. Five wrestlers snared individual championships: junior Dave Hankin, at 120 pounds; senior Bob Cony, at 133 pounds; senior Dan Zola, at 138 pounds; senior Ed Michel, at 154 pounds; and senior Dean Murphy, at 180 pounds. Senior Norman Cummings and junior Joe Pellegrino, in the 112 and 165 weight classes, copped seconds in their respective divisions.

After winning their second consecutive Suburban title, the grapplers had hoped to do the same in the State regionals, which were held at Shorewood this year. However, five of the Schneidermen were eliminated in the preliminaries. Two more were defeated in the semi-finals and took fourths. Earning the honor to compete in the State sectionals were Cummings, Hankin, Cony, Zola and 127 pound senior Joe Berger.

Of these five, only Cummings and Zola fared well enough to compete in the State tournament at Madison, the former taking a Sectional championship. Though Cummings lost his first match, Zola came through and went on to take fourth place in his 138 pound division.

Coach Schneider is fortunate to have half of this year's champion team returning: 95 pound freshman Bob Lagerman; 103 pound sophomore Bob Megna; 145 pound junior Dick Megna; junior heavyweight Glenn Bacher; Hankin and Pellegrino.

Also, this season the junior varsity grapplers, under the direction of coach Richard Taylor, compiled an undefeated dual meet record and also won the B-team Suburban conference title.

Undefeated B-team wrestlers Bob Barkin, Steve Wiest, Keven McDermott, and Doug Polenz.

Dave Hankin is about to pull a move on his unsuspecting opponent from Waukesha.

Showcase '68

Hollywood Salute

Dan Becker, Ellen Tryba, Mike Horner and Charlie Young are off to see the Wizard of Oz

"Hollywood Salute", the theme for the annual fund raising benefit for the American Field Service, provided much enjoyment for the movie lovers in the audience. Among those who made guest appearances were Charlie Chaplin, Laurel and Hardy, the Andrews Sisters, Fred Astair and Ginger Rogers. Featured for the younger set were Pinocchio, Jimminy Cricket, and Dorothy and her friends from Oz.

During the intermission, Tom Albright, President of Student Council, introduced Shorewood's two A.F.S. students, Dene Smuts and Ergul Seyhan. The effective direction was headed by Mr. Richard Goetzman.

Home Economics Club

Home Ec Club's successful year began with an initiation Tea in September. Mrs. Aileen Genskow and Mrs. Carol Pederson helped president Joan Kenyon, organize an interesting and exciting year.

The members made doll clothes and beds for the children at the Friendship House. A model from Patricia Stevens came and gave the girls tips on good appearance and applying make-up.

In February the club sponsored a Turnabout Dance, featuring The Wind. The theme centered around Fantasy Land, and decorations were made out of the characters from Oz, Alice in Wonderland, and Sleeping Beauty.

The girls took a field trip to the Villa Terrace.

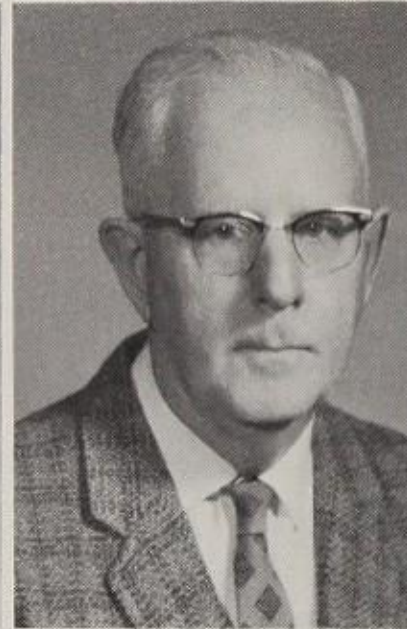

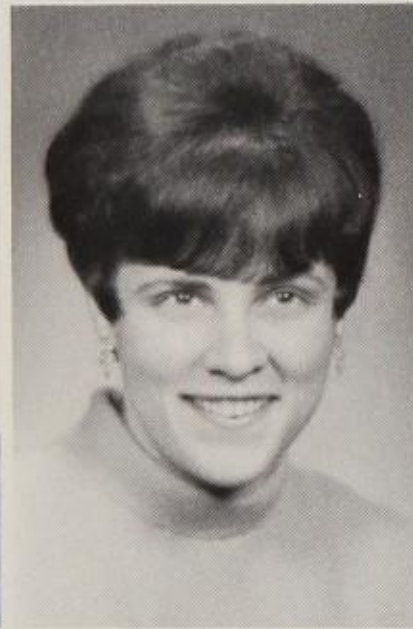

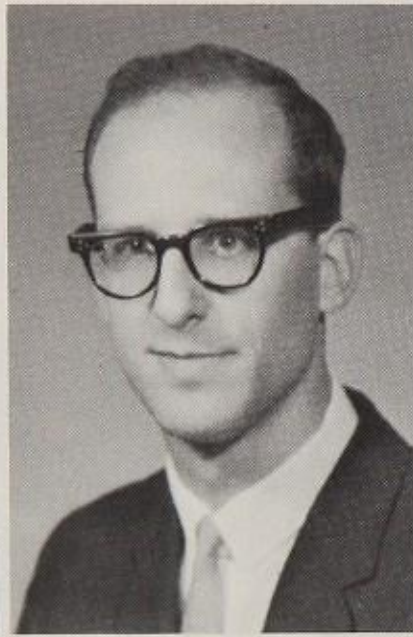

Home Making Can Be Fun

Home Ec's float won 2nd prize in the float competition at Homecoming.

Junior High Mathematics

Math and science are important in the scope of advancements in all areas of development in the present and in the future. Since each field is so important, Shorewood has not only emphasized them as valuable electives but also has pointed out their importance as a combination. In the field of science, biology, both traditional and Chem-Study chemistry, physics, and earth science are offered. Labs are used quite extensively to give all students a chance to show their individual techniques and abilities. In the field of math, algebra, geometry, intermediate math and advanced math are offered. Two years of math are required at Shorewood.

Mr. Birkholz explains the experiment before the students try it.

Tutorial Program Became Reality

This year's Student Council saw the addition of club members to supplement the conventional homeroom representative system. Having successfully carried out its two main projects, Homecoming and Showcase '68, council looked for new things to undertake. It decided on attempting a tutorial program.

This program was to involve Shorewood students helping underprivileged students from other parts of Milwaukee.

Tom Albright, Student Council president, led many spirited discussions.

Vicki Zimmerman offered her viewpoint on the topic of revising the Showcase concept.

Whatever Shorewood wants, Shorewood Gets!

Pep Council

Successful Seasons Sparked Spirit

Pep Council's primary purpose is to encourage attendance at sports events and to generally promote spirit throughout school. Due to the successes of the athletic teams this year, the council had little difficulty in carrying out this role. Among new projects were a "Breakfast of Champions" and a special card section for the Bay game. The annual Spring Dance, which was centered on Chinatown, was another victory of a winning year.

Pep Council members spend a lot of time in the boys' locker rooms.

"Hold that note!"

More and more Shorewood students find themselves being drawn toward cultural developments through music. Music courses varied from the seventh grade exploratory course, which covered subjects from basic note organizations to different forms of music throughout the world, to the school's band, orchestra and choir. Besides entertaining the school and the community, all three groups developed individual talents extensively throughout the year. Daily group practices and sectionals help the individual to obtain their goals in music.

Sue Peterson follows the music carefully.

Under the direction of Miss Sue Hickman, the choir performed in public on many occasions. The Winter Concert was first on their list followed by an assembly for the high school and a performance at Atwater grade school. They also journeyed to Racine to sing for Prairie school. The Madrigals displayed their talents in 'Showcase 68', singing selections from their favorite movies.

Jim Wexler, president, planned many activities for the group. In fall, the members worked on their Homecoming Float. In spring there was the Spring Carnival booth and two picnics planned; one was for Choir alumni, and the other one was for all new members.

Prom '67

The streets of New Orleans set the scene for the 1967 Junior Prom. With the theme of "Vieux Carré," the prom, held on May 13, marked the culmination of hours of work put forth by many juniors on different committees, and saw common students transformed into the belles and beaux of New Orleans. Under the guidance of class officers Jim Pierce and Ken Van Es, the efforts were well coordinated, and the results successful.

Bob Cony and Jane Rinka rocked out.

ADVANCED CLUB: FRONT ROW: Patricia McCreadie, Tammy Finley, Pat Rheineck, Lana Iwens. *BACK ROW:* Lynn Parlow, Jana Parlow, Laurel Lemke, Terri Berke, Elaine Kornitzky, Helen Seidel, Ann Arends, Liz Germanotta.

Perhaps a more appropriate name for this organization would be Dance Clubs, because in reality, there were three groups working on original dances for the annual spring concert. Included in the club were a regular, an advanced and, new this year, a junior high club. The ninety graceful participants were directed by the officers, with President Maureen McCreadie in charge.

DANCE CLUB OFFICERS: Ann Arends, secretary; Maureen McCreadie, president; Judy Resnick, vice-president; and Liz Germanotta, treasurer.

Choreographers experimented with new movements.

Spring Carnival

Thirteen was not an unlucky number at the annual Spring Carnival. Providing fun and excitement for participants, 13 student organizations produced entertaining and different booths. Jane Rinka, Youth Council vice-president, organized the carnival. Some of the larger prizes were a puppy, stuffed animals, gift certificates and theater passes.

Spring Musical

Fanny Brice and Nicky Arnstein, as portrayed by Shelley Schultz and Dennis Brien, did an outstanding job as the leads in "Funny Girl." Mr. Goetzman, as director, did an excellent job and the beautiful setting and costumes greatly enhanced the show.

"Funny Girl" will be remembered as one of the best musicals ever produced at Shorewood.

Spring Sportsmen Battled Weather

BOTTOM ROW: Bob Heller, Rick Frank, Coach Karl Korneisel, George Murphy, Mike Ashburn. **TOP ROW:** Dave Hankin, Vic Brust, Pete McCarthy, Dean Murphy, Jim Kahn, Jim Charne, Randy Leshin.

Though both the tennis and golf teams had new coaches this year, they still had to battle the same old Milwaukee spring weather.

Coach Karl Korneisel's golfers, led by captain Pete McCarthy, opened their season April 22 with a dual meet against Wauwatosa West. The divot-men participated in several meets before entering the state sectionals June 1.

The tennis team, under the direction of Coach Richard Taylor, also had to contend with the elements, which hampered their practice sessions. However, they did improve on their 1967 status.

BOTTOM ROW: Brian Melrood, John Zola, Tom Saichek, Tom Wolfe, Mike Peebles. **MIDDLE ROW:** Will Heller, Marshall King, Mark Hardwick, Tom Burke. **TOP ROW:** Brian Williams, Mark Shain, Al Melrood. **NOT PICTURED:** Tom Colosimo, Scott Kramer, Coach Richard Taylor.

Rowing

Crews Prepared Trips

FRONT ROW: Peter Loft, Ashley Anderson, Gary Williamson, Tom Gonring, Tom James. **BACK ROW:** Dave Pugh, Ralph Rooney, Ted Hyatt, coach Joseph Ferrara.

Rowing is a unique sport at Shorewood, for it is the only athletic activity in which both boys and girls can participate. Mr. Joseph Ferrara undertook the task of coaching both crews.

The male team had four regattas scheduled for this year: two against St. John's Academy and two against the Lincoln Park Rowing Club of Chicago. Practice sessions were conducted in Hubbard Park, which boasts a boathouse and pier.

The girls look forward to their season after school recesses for the summer. They will travel to Philadelphia in late June for the National women's rowing regatta, where the Shorewood females will try to improve on their present standing of eighth best crew in the nation. Later in the summer they will participate in the midwestern regattas, which will be in Minnesota.

A regular crew is made up of eight members, but there are also events in which singles and doubles may enter.

KNEELING: Holly Jones. **STANDING:** Gretchen Buelow, Gretchen Birkel, Robin Shiras, Lisa Klumb, Karen Nelson, Judy Musil, Judy Hayak, Debbie Finley. **NOT PICTURED:** Kris Klumb, Barbara Gibbs.

Students Planned Their Future

F.T.A.

For the first time in F.T.A.'s history a boy, James Mason, joined the club.

With the help of Mrs. Marjorie Pagel, Donna Schlar, President, planned many activities. Mr. Ronald Tipple, a Peace Corps worker in Iran, talked about his experiences as a teacher in Iran. Ergul Seyhan spoke on the Turkish school system. In March the girls went to Whitefish Bay High School for a meeting with other North Shore F.T.A. clubs. The girls went to Atwater to observe the teaching techniques of the elementary school teachers. A banquet was held in Spring for the old and new officers.

President Donna Schlar discussed plans for the next F.T.A. meeting with cabinet member Ellen Tryba and Treasurer Myra Levin.

Paramedical Club

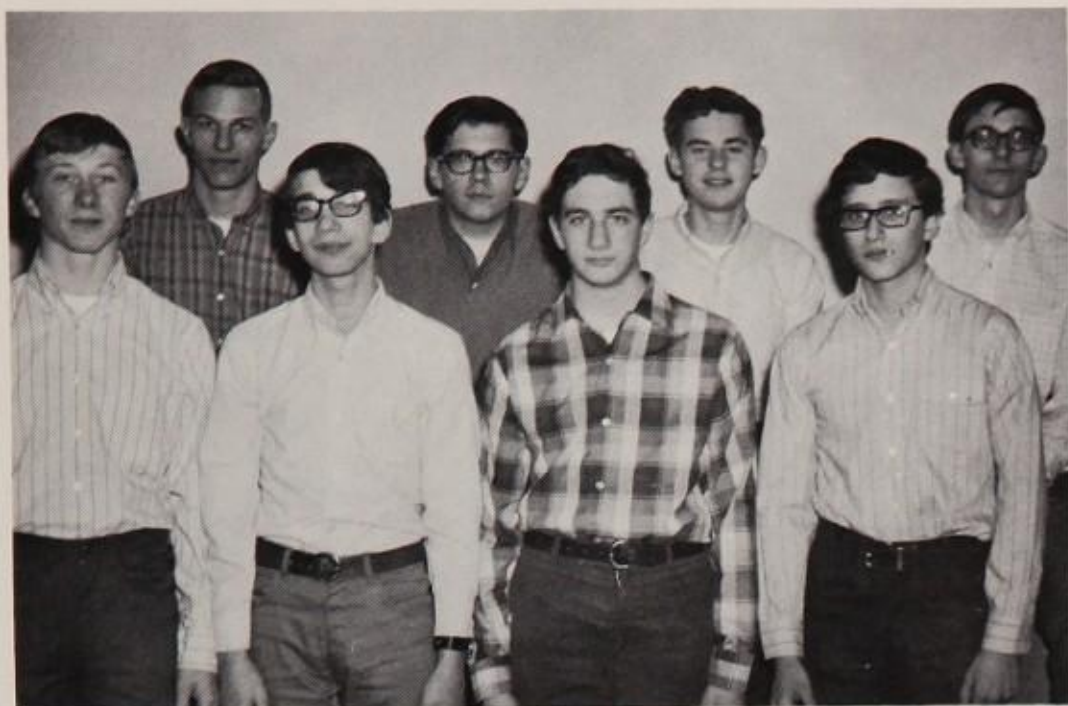

The girls of Paramedical Club enjoyed a nutritious meal.

Members of Paramedical Club had an opportunity to hear many speakers on the different phases of a medical career. An Army Nurse, a nutritionist, a physical therapist and a medical technologist spoke to the girls about their careers in the medical field.

President Carol Pociecha planned many service and social projects for the year. Under the service projects were making Thanksgiving favors for the Protestant Home for the Aged, and collecting Christmas gifts for foster children. Heading the list for social projects was a spring banquet and a field trip to the Veterans Administration Hospital, and attending a meeting with other Suburban medical careers clubs.

Camera Club

Camera Club: *FRONT ROW*: Bill Heidenreich, Dave Charne, Robin Hirsch, David Scheuer; *BACK ROW*: Dan Becker, Andy La Borde, Steve Lange, and John Hackenberg.

After a somewhat hectic year, Mr. Norm Suchanek, advisor to Camera Club decided to reinstate a spring training program for interested photographers. Commenting on the group, Mr. Suchanek said, "it is the unsung hero of Ripples and Copperdome."

Photos and Phriendship

AFS Club is a relatively new organizations at Shorewood, started three years ago by Mary Herman, '65. Originally the purpose was to make more students aware of the AFS program and to make our AFS students feel welcome in Shorewood and in the United States. This year the AFS Club also sold Christmas cards, sponsored a Christmas turnabout, sponsored films and talks from AFS'ers of different schools, helped with Showcase '68 and had fun.

Distance-man Ken Van Es practiced diligently for his half-mile and mile events.

With seven lettermen leading the way, Coach Vincent Radecke's 1968 track team improved greatly as the season progressed and climaxed their campaign with another good showing in the state class B meet at Monona Grove.

Seniors Tom Albright, Steve Berg, Ken Van Es, John Wallner and juniors Steve Schmidt, Ashley Anderson and Daryl Santilli were the veterans on whose shoulders rested the cindermen's hopes.

Albright and Berg, members of the 1967 state champion mile relay team, sparked the tracksters to several good showings. Senior Rex Kramer, juniors Glenn Bacher and Dan Lowry and sophs Dallas Lillich, Tom Wargowsky and Bob Cohn also helped out this season.

National Honor Society

National Honor Society membership is based on four prerequisites: scholarship, leadership, character, and service. Students who qualified by having a 3.2 composite grade-point average were then voted on by their contemporaries on the three remaining categories. This year, members discussed the change from a dinner to a reception.

Grant M. Hyde was one of America's greatest journalism professors in the 1920's. He was one of the founders of the National Scholastic Press Association, the group which is a fellowship of high school journalists, nationwide.

Shorewood's Quill and Scroll chapter was named in his honor. His ideals are upheld by Shorewood's best journalists.

Shorewood High School: Suburban Champions

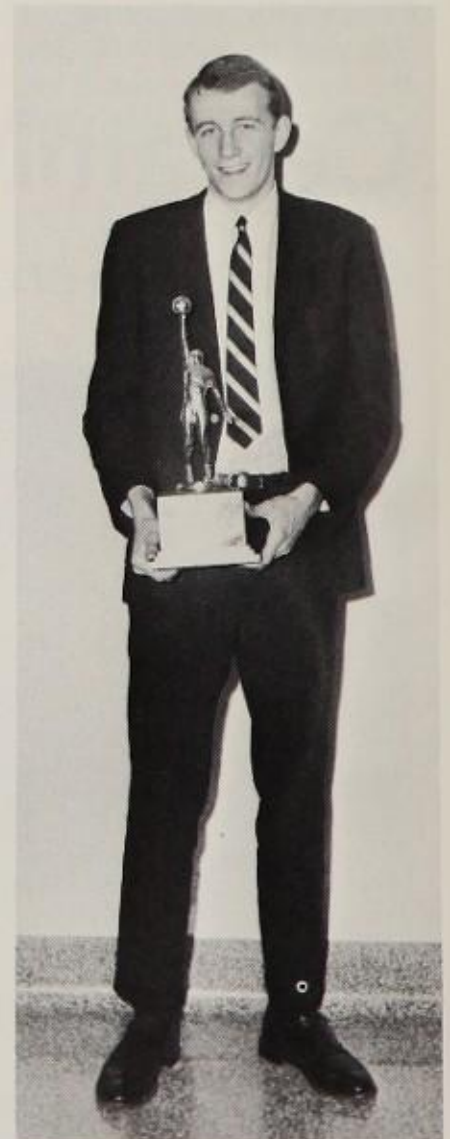

Athletics was not the only field in which Shorewood excelled in 1968. The debate team boasted a fine record, and concluded its season by winning first place at the Suburban tournament.

Tri-captains Tom Albright, Norman Cummings, and Ed Michel led the wrestling team to a Suburban championship and first place in both the Green and White and the Port Washington invitational.

Senior Mark Neubauer, President proudly displays the debate team's suburban championship trophy.

Steve Berg, Wisconsin's 1968 High School Basketball Player of the Year, was one of the key factors in the gaining of the Suburban basketball championship.

CLOCKWISE FROM LOWER LEFT: Senior cheerleaders Myra Levin, Head Jane Rinka, Leslie Dill, and Cathy Byrnes.

The Glory Cup finally fell back into the hands of Shorewood, pictured here in those of Tackle Dean Murphy.

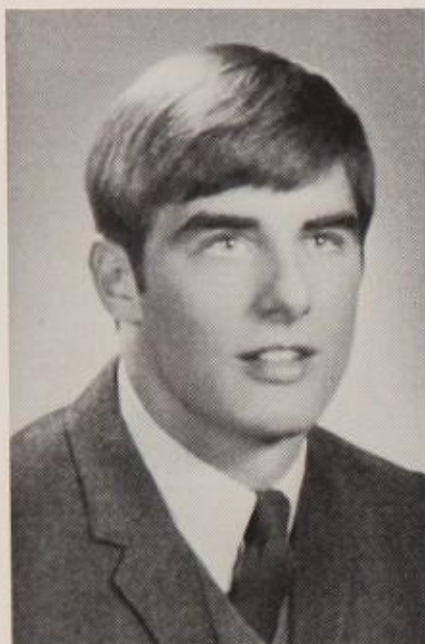

"We are number one!" was the favorite chant of Shorewood High School students at athletic events this year. In October the school regained the Glory Cup from Whitefish Bay and moved on to take the suburban championship in football with seven wins and a tie. The Victory Flag, a new addition this year which was presented to the school by the Greyhound Backers, flew over the school after every game.

Coach Dave Jones cringed when the basketball team was predicted to come out on top. However, his fears proved to be unfounded the Greyhounds finished their regular season undefeated, and the Victory Flag received much wear.

Both the B-team and varsity wrestling teams also finished undefeated, and took firsts in the Suburban Meet.

Senior Tom Albright uses his muscles to hold up the gold suburban football trophy.

The National Thespian Conference in Bloomington, Indiana, was the goal for this year's Thespians. Bill Kahn, President, guided the club this year and organized the many fund raising projects. The money raised from selling fruit cakes, bake sales, book sales, candy sales and the collection of bottle caps was used to send members to Bloomington.

The Dragon award is given to a member of Drama Club who has shown outstanding ability in one field and excellent ability in another field. The Dragon Award is the highest award that a member in Drama Club can receive.

Dragons: *BOTTOM ROW*: Karen Clutter, Bill Kahn, Jane Rinka. *TOP ROW*: Karen Weinberg, Sallie Alefsen, Marica Emold.

Copperdome

An original theme, "Seasonal Psychosis," kindled new ideas in the minds of the 1968 Copperdome staff. The traditional divisions were left behind as the staff searched for better organization methods.

A highlight of the year came when staff members, headed by Larry Bechler and Jeanne Higbee, Co-Editors, picked the cover and the colors to appear inside the book. The group was aided by Mr. William McGinnis, this year's sponsor.

Co-editors Larry Bechler and Jeanne Higbee examine one of the pictures on which they based the theme of Copperdome '68.

Summer

"Summer" completes the series of oil paintings of the seasons, by Greg Pardo, class of '67, which was a new addition in the science building this year.

*For everything there is a season,
and a time for every purpose under
heaven.*

—Ecclesiastes 3:1

Autumn, winter, and spring have passed. The 1967-68 school year has been a happy and rewarding one. For the Class Of '68 it has been the last, the best, a year never to be forgotten.

Now only summer remains, and with it the apprehension of years to come, more years filled with "SEASONAL PSYCHOSIS."

To my dear
Peepers?

great with Ivarn

with you peeps. Thanks a lot.
